The home will be constructed by Diman Regional Vocational Technical High School, and the property will be sold to a first-time homebuyer with an income at or below 80% of the median income limit.

The home is situated in the south end of Fall River, Massachusetts in an area of compatible single and multi-family homes. It contains approximately 1,500 square feet of living space that will consist of 3 bedrooms, 2 full baths, living room, dining room, and kitchen. The home sits on a very spacious 10,188 square foot lot and is perfect for a family. The general vicinity includes Maplewood Park, schools, shopping, and other services and amenities along with easy highway accessibility.

The information provided here by PICAN outlines (a) the eligibility criteria for applicants for the Project's affordable unit, (b) the criteria for determining which applicants are eligible to purchase the Project's affordable unit, and (c) the lottery process and other preference criteria that will be used to select the winning applicant for the Project's affordable unit. The Project is a home ownership project for a single-family home, 1,500 square feet, with 3 bedrooms.

What is the definition of a first-time homebuyer?

To be a first-time homebuyer, applicant households must not have owned a home within three years preceding the application with the exception of:

1. displaced homemaker (where the displaced homemaker, an adult who has not worked full-time, full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family, while a homemaker, owned a home with his or her partner or resided in a home owned by the partner;
2. single parents (where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has one or more children of whom the individual has custody or joint custody, or is pregnant;
3. Elderly households (where at least one household member is 55 or over);
4. Households that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations;
5. households that owned a property that was not in compliance with state, local, or model building codes and that cannot be brought into compliance for less than the cost of constructing a permanent structure;
6. Required credit score of 650 or higher; Borrowers total debt to income ratio must not exceed 45%;

- Households must still meet the asset limitation as outlined below. Any home owned under an exception must be sold prior to purchase of an affordable unit.

What are the asset limitations to be eligible to participate in the lottery process?

The total gross household asset limitation is \$50,000 for all households. **(See attached definition of assets)**
The applicant must remain under the asset limitation throughout the entire lottery process including the mortgage commitment and conveyance and will be required to provide evidence of such at various stages. Since the property is not an age-restricted development, all applicants must meet the \$50,000 household asset limitation including equity from a home that has been sold.

What are the maximum income requirements to be eligible to participate in the lottery process?

Household income shall not exceed 80% of area median income based on household size as determined by HUD. Annual Gross Household Income must be less than:

1 Person - \$45,000 2 Persons - \$51,400 3 Persons - \$57,850 4 Persons - \$64,250
5 Persons - \$69,400 6 Persons - \$74,550

There are NO deductions from gross income for purposes of determining eligibility.

Annual income includes all sources of income including gross wages and salaries, overtime pay, commissions, tips, fees and bonuses, and other compensation for personal services, net business income, retirement income, annuities, veterans benefits, alimony, unemployment compensation, periodic amounts received from social security, annuities, insurance proceeds, retirement funds, pensions/disability/death benefits deferred compensation, workers' compensation, supplemental second income and interest and dividend/interest income for all adult household members over the age of 18, unless full-time **dependent** student during the most recent twelve-month period. (Head of household and spouses do not qualify for the student exemption). An imputed interest rate on total assets will be calculated in a manner consistent with HUD requirements in place at the time of marketing. The applicant must remain income-eligible throughout the entire lottery selection process including the mortgage commitment and conveyance and will be required to provide evidence of income eligibility at various stages. Annual income will be determined in a manner set forth in 24 CFR 5.609 or any successor regulations.

Applicants must be pre-approved by a local lending institution for the unit type they are applying for in order to be eligible for participation in the lottery process. The pre-approval letter must show a fixed interest rate for the term of the mortgage.

Applicants may use a cash gift for down payment assistance; however, cash gifts plus household assets must not exceed the asset limitation provided above. **You may choose your own institutional local lender. Please note the lender must be able to provide financing on a deed restricted unit.**

Co-signing by anyone who is not a member of the household is not allowed under the program. FHA and VA mortgages may accept the Deed Restriction. There are other mortgage programs that do not accept the deed restrictions; ask when applying for a pre-approval or mortgage. Most LOCAL Banks have First-Time Homebuyer programs that accept an affordable housing restriction.

Are there any restrictions?

- 1. Buyer must keep the property as their primary residence during the affordability period; The affordability period is determined by the difference between the appraised value and the purchase price. The affordability period ranges from 5-15 years depending the above difference.**
- 2. Buyer must abide by the Home Program Recapture Provisions, which is stated below:
*To ensure that the City of Fall River recoups all or a portion of the HOME Program assistance monies from the Borrower if the housing does not continue to be the principal residence of the family for the duration of the affordability period, the following Recapture Provisions are made an express covenant of the Borrower applicable to this Loan. If the Mortgaged Property is sold, conveyed, assigned, leased or otherwise transferred or if a senior lender forecloses on any senior mortgage prior to the end of the minimum federally required affordability period as defined by 24CFR 92.254(a)(4), the HOME Program loan assistance must be repaid to the City of Fall River on a net proceeds basis according to the following mathematical formula:***

Net Proceeds = (sales price minus municipal liens minus principal owed to senior lenders minus selling costs);

Borrower Investment = (Down payment plus principal paid on first mortgage, and any verifiable capital improvement investment made from date of purchase);

City's Investment = (HOME Program Loan(s)' assistance);

Total Investment = (Borrower Investment plus City's Investment); **Amount of Net Proceeds to be returned to the City =**

<u>City's Investment</u>	X
<u>Total Investment</u>	Net Proceeds

How is the lottery selection conducted?

All applications will first be reviewed to ensure eligibility after they have been received. If eligible to enter the lottery, applicants will be notified in writing with a **Confirmation Letter and an Assigned Lottery Number** and information regarding the category they will be entered in, at the close of the application period.

On the day of the lottery, there will be a random drawing, by hand. If at any point in the lottery and purchase process a selected applicant becomes ineligible, the next eligible applicant will be notified that they must begin the process of obtaining mortgage financing.

If selected in the lottery process, what is the next step in the process?

Your financial and other program requirements will also be verified by PICAN and the Fall River Community Development Agency to determine if you qualify for the program and have continued to meet all requirements of the lottery during the process. After receiving approval, a selected applicant will have thirty (30) days from the signing of the Purchase & Sales Agreement to obtain the necessary mortgage commitment.

If at any time during the process you do not meet the requirements of the Lottery, or if you are unable to obtain financing from a lending institution, you will lose your lottery selection placement status, and the next applicant on the list will be notified that he or she has moved up to your slot.

THE SELECTED APPLICANT MUST BE READY TO CLOSE ON THE UNIT WITHIN THE TIMEFRAME THAT THE SELLER REQUIRES; OTHERWISE, THEY WILL LOSE THEIR PLACEMENT IN THE SELECTION PROCESS. IN THE EVENT A SELECTED APPLICANT CANNOT CLOSE WITHIN THE TIMEFRAME PROVIDED BY THE SELLER, THE SELLER RESERVES THE RIGHT TO MOVE TO THE NEXT ELIGIBLE APPLICANT ON THE LIST.

DISCLAIMER: *Information regarding unit size and the project were supplied by the Seller. Any errors or omissions of any information on the Lottery Application, Information Packet, newspaper advertising or any form of advertising, may be subject to change without notice. All dimensions are approximate and subject to final as-built measurement. The Seller reserves the right to change specifications, finishes or designs, without incurring any obligation. Selected applicant will be given the opportunity to review all closing documents and the unit before entering into a binding agreement for the purchase of the unit. **Issuance of an assigned lottery number is not a representation that you will be approved to purchase a unit if selected in the lottery process.** All selected applicants are subject to the approval of PICAN **and** the Fall River Community Development Agency. All decisions on selection criteria not outlined in the application and information packet are at PICAN and the Fall River Community Development Agency's discretion.*

VISITING THE SITE – An Open House for a site visit(s) will be scheduled and published on PICAN's parent company, People, Incorporated's website www.peopleinc-fr.org.
